Christmas Social

at The Church,
Junction of Mary St
and Jervis St, Dublin 1

Call in for a Christmas drink with the Irish stammering community. Catch up with people you've met at the Dublin support group or at an ISA event and maybe make some new friends! If you haven't attended anything in the past, come along to learn about the ISA and meet other people who stammer in an informal environment. You can hear first hand about the recent ISA events such as the Walk and Talks. You'll get a chance to meet other people who stammer in an informal environment.

The Christmas social closes off 2018 for the ISA and looks forward to 2019. Help us mark the season and join us for the final ISA social event of the year.
